JOSEPH JEAN ROLLAND DUBÉ

NOTRE MÉDIUM:
LE SYSTÈME

PICTOGRAMMES

Ces pictogrammes ont été réalisés en 1987. Il s'agissait à l'époque d'une ludique et absurde tentative visant à répertorier l'intégrale des médiums utilisés par La Société de Conservation du Présent, un regroupement d'artistes de Montréal.

Certains de ces pictogrammes servent actuellement de système de navigation sur le site *Neoism.org* (<http://www.neoism.org>) ainsi que de référence iconographique pour l'œuvre *MindShipMind*, de Vibeke Sorensen et Karlheinz Essl (<http://www.essl.at/works/mindshipmind.html>).

L'intégrale de ces pictogrammes a déjà été publiée dans le corpus de *Vouloir de l'art*, roman, Paje Éditeur, Montréal, 1991.

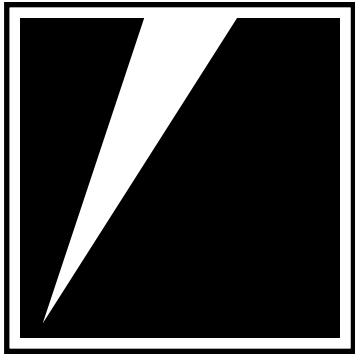

La présente édition respecte le caractère satirique de l'œuvre — dans toute sa fraîcheur et sa naïveté.

These pictograms were created in 1987. In those days, the idea was to index, in a playful and absurd attempt, the complete set of mediums used by La Société de Conservation du Présent, an assemblage of artists from Montreal.

Some of these pictograms are presently used, as a navigation system, on the site *Neoism.org* (<http://www.neoism.org>) and also as iconographical allusions for *MindShipMind* by Vibeke Sorensen and Karlheinz Essl (<http://www.essl.at/works/mindshipmind.html>).

The complete set of these pictograms has already been published in the corpus of *Vouloir de l'art*, novel, Paje Éditeur, Montreal, 1991.

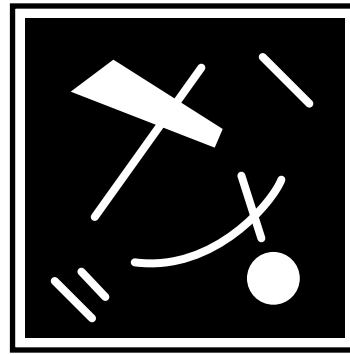

This edition respects the satirical nature of the work — in all its freshness and naïvety.
